Hello Surbhi,

Greetings! Hope you are doing well and thanks for keeping us updated on the status of MSIT students.

However, there is some confusion regarding the status of Maheep Walia and Sarthak Yadav. The Placement Team and the students were under the impression that they have already been extended offer based on the mail that was sent to them by Ms. Ashwita Upadhyaya on 17th June 2021. The students are now confused about their status and wanted to know about the upcoming interview. We would be grateful if you could please update us about the same.

Thanks and Regards,

Meena Rao
